Secondary Applications

Please be aware that the deadline for applications to secondary schools is fast approaching. Parents and carers will need to make an application online or on paper by the closing date of **Wednesday 31st October 2018**. It is recommended that parents complete it by Friday 26th October, as there will be limited support available over the weekend for anyone having trouble applying.

Parent Consultation Booking System

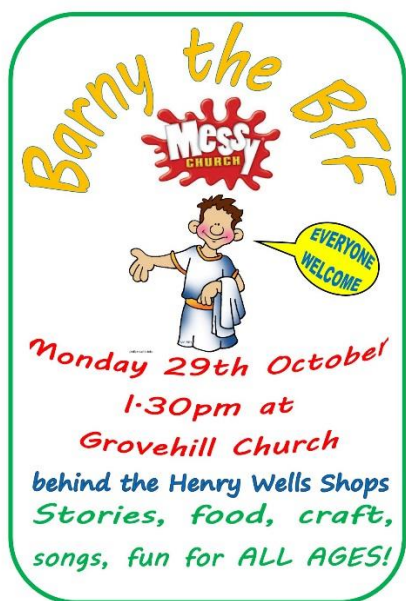

Our parent consultations are on the **14th and 15th November**. To book your appointments please go to <https://brockwood.parenteveningsystem.co.uk>

From here you will be asked for your name and email address (please ensure this is the email address that is registered with the school), your child's name and date of birth. If you have siblings within the school it will

automatically bring up all of your children on screen enabling you to book appointments if available at times close together. Please ensure you leave a 10 minute gap in between appointments.

The booking system closes for appointments on **Monday 12th November at 9.30am** and your child's report will be sent home with them by **Tuesday 13th November**.

As this meeting is regarding your child's learning we request that your child also attends to discuss and share their learning with you. Learning books will be available in the hall for viewing. Each session will be for 10 minutes and will focus on the children's learning. If you have additional matters you wish to discuss please feel free to make an appointment to see your child's class teacher at a different time.
